The Brooklyn Crescents Lacrosse Club is a volunteer run community lacrosse club that aims to teach boys and girls in grades K - 8 the sport of lacrosse while emphasizing teamwork, character development, healthy habits, and community pride. For many of our players, the Crescents Lacrosse club is their first athletic team. We are bringing the fastest growing sport in America to Brooklyn, while giving kids the formative experience of being part of a team. Our players hail from all over Brooklyn. We hope you will join the Crescents family!
